THERMOSEALER

The thermosealer systems enables surgical instruments to be wrapped before being put in the autoclave so as to maintain sterility after sterilization has been completed.

The new sealing system uses a new heating technology which produces a 12 mm seal with no risk of accidentally burning the paper.

price: € 650,00

ROLLS FOR STERILIZATION:

item: 717/01 - 75 mm x 200 mt each.  
item: 717/02 - 100 mm x 200 mt each.  
item: 717/03 - 200 mm x 200 mt each.

GERMICIDAL LAMP

**Item: 754/00 - GERMILAMP**

Potent germicidal action is amplified by reflecting surfaces. A microswitch placed near the protective screen, prevents accidental direct exposures. The lamps is use emit over 85% of their energy with wave-length 253.7 nm. in ultraviolet band, with a radiation that kills bacteria and other micro-organisms.

**Price:** € 250,00

**Item: 754/20 - Germicidal spare lamp 15 Watt**

**Technical features:**
- **Absorbed power:** 15 Watt
- **Feeding:** 230 V - Hz 50/60
- **Dimensions:** 48x22.5x21 cm
- **Weight:** 6 Kg

APEX LOCATOR

**Item: 545/00 - WOODPEX I**

The Woodpex I Apex Locator from Carlo De Giorgi features a new generation full colour visual display for improved tracking of the files. It also has the latest multi frequency technology incorporated into this 5th generation apex locator and an extended apical zoom function, which activates when the file reaches the apical area, assisting the dentist to locate the apex in most types of root canal conditions. The Woodpex I apex locator has a small footprint and operates on a rechargeable battery, so it can be moved between dental surgeries with ease.

**Price:** Upon request

AMALGAMATOR

**Item: 721/00 - DENTAL MIX 2000**

Mechanical-Electronic amalgamator, programmable with pre-selected working times for each type of amalgams: for capsules and powders.

**Technical features:**
- **Vibration frequency:** 4000 pulses/minute
- **Power:** 70 Watt
- **Feeding:** 220 V - 50 Hz
- **Mixing times:** variable
- **Vibration:** moving at “8”
- **Dimensions:** 23x21x11.5 cm
- **Weight:** 3.7 Kg
